*"My quote of the ecareer Amazing Race would have to be "Leaping leopards, leaping leopards, leaping leopards!" My favourite part, very hard to chose. As I loved every single minute I could not actually pinpoint a time, every single challenge. Just SO MUCH FUN! I loved finding the destinations on the map, I loved being in our groups and I loved the ice-cream challenge. I loved the competitive spirit of everyone. It has been my dream to go on the show Amazing Race and now, thanks to Bushsports I feel like I have been on and WON!!!!!! Absolutely loved it. Have never, ever had that much fun at work in my life!! Maybe I just need to try Survivor now! by Kathryn, member (actually, I think self-nominated captain) of the victorious Leaping Leopards, via Shannon McEwan - **ECAREER***
