

Indoors or outdoors *Flowing energy, reflecting the past, representing the present, picturing the future!*

TEAM ART RAGEOUS provides a springboard for change management in the areas of personal development, team building, stress reduction and workplace motivation. Where flowing music and fun team interaction provides the vibe to expressiveness without critique. is a tactile learning experience creatively drawing together experiences through positive facilitation. Allowing people to think expressively sharing through imagery, Creating a vibrant work environment

A **TEAM - ART** experience is a tactile learning experience. Anywhere. Team creativity lies in drawing together the participants' experiences through positive facilitation.

- * Allowing people to think expressively
- * Allowing people to learn from sharing imagery
- * Creating a vibrant work environment
- * Stimulation of natural creative processes

ART RAGEOUS experience involves:

- * Meet & greet, Facilitator overview - Design criteria/vision/purpose. *Initial drafting and crayon sample
- * Opportunities to explore imagery, share ideas and create a system of canvases that convey a vision, mission, idea or expression.
- * Or select **FREESTYLE** – Fast – Fun – Throwing – Splashing
- * In teams of 2 - 6 , 1-3hrs, timing as required.
- * Each team receives a canvases with which to transpose their creation.
- * An ideal memento of the teams creative experience.

OVERVIEW of **ART RAGEOUS**

- * Team art-based activity that invites participants to focus their energies. Paint their pressures away as they are let loose with bright acrylic paints, canvases and a host of unusual paint applicators such as, sponges, twine, hands.
- * Artistic skill not required
- * Master-pieces can be linked together– providing full picture.
- * **MUSIC** backing - Generating vibe, rhythm and creativity with an excellent compilation of relaxing themes and upbeat tempos to journey the mind.
