

## Thrill MISSION = POSSIBLE!

Themed MI music announces the arrival of facilitators all dressed in black ready to ignite your team building program.

An espionage agent has entered your building leaking an innocuous deadly gas into the air conditioning system. Your team has all breathed in the vapours containing a deadly virus. After receiving the agents demands in exchange for the anti-dotes which must be consumed within set time to survive.

Bushsports trained professionals enter your domain with security access clearance. Completing a sweep of environments ensuring security and filing alerts of espionage agent activity.

This room has been contaminated with a deadly viral chemical known as Hydro Calmira Caesium. All members of your team have been infected. PLEASE Remain Calm. Do not evacuate. Your assistance is required.

1<sup>st</sup> Assess and gather further intelligence, 2<sup>nd</sup> Plan together, 3<sup>rd</sup> Activities set a 4<sup>th</sup> Activities set b. 5<sup>th</sup> Complete Mission  
Maps, clues and or a video presentation are provided.

Recover stolen virus antidotes 🔑 . Strategically secured 📦 and hidden from prying 👁 'S .

ENVIRONMENTAL HAZARDS – teams will be required to stem, stopping contamination of water supply. ESPIONAGE Negotiation - Locate and Intercept fugitive espionage agent to collaborate a trade of information through the completion of challenges, puzzles and team initiatives.

Challenge activities are selected on the basis of location. Ie Hazardous Waste, Poles apart, Communication Relays, Messages in the Sand, Signalling Challenge, Building.

The ➡ to your selected mission is cooperation, problem solving, communication, trust and effective teamwork meeting the set deadlines. Your 🏢's must utilise its resources 💰 and skills effectively in order to retrieve the antidote/s before a killer virus wipes your companies population 🧑, destroys water supplies and network systems.

Clues must be deciphered, suspect agents interrogated and locations confirmed. Infiltration plans have to be made and carried out before a rapidly approaching deadline. Together your 🏢 team must determine the strategy for success.

Trained facilitators are on hand to instruct, assist and direct.

## **METHODOLOGY:**

Maps, clues, video or laptop presentation will be displayed.  
Thrill trained professional agents enter your domain with security access clearance.

Step 1: Receive Mission – Define Mission (who, what, where, when & why), Known Facts, Environments, Resources, Skills, Time frame.
