The fun activities begin with a briefing on water and canoe safety, paddling techniques, rescue systems and teaming up paddle partners. Communication games will ensure that all involved are prepared to work together, before letting the Fun 'n Games commence as paddlers select their craft for splashing good fun, excitement and laughter.

After a number of warm up activities, both on and off the water, teams will pit their new found skills and abilities against each other in a number of challenges, for the ultimate honour of being named Grand Paddle Champions!

Create a splash into the water and progress through fun games on the water: Raft Up, Retrieval, Obstacle course and No paddle races. Then it's onto Le Mans Starts and Canoe Rescue to accumulate as points.

Once new skills have been learnt, and confidence increased, An exploratory paddle of the scenic waterway is conducted at a leisurely pace.

An Aussie Bush BBQ by the water, with opportunity for a refreshing swim is an ideal finish with a presentation of the grand paddlers trophy.

Previous Paddle regatta teams have included: ANZ, NRMA, Freedom, Kodak, Commonwealth Bank & Westpac. We look forward to the opportunity of organising yours for summer 2005 - 2006.
