- Brief-Action-Debrief sequence is facilitated.

Survivors navigate, communicate, problem solve and establish bonds of trust and strategy. Competing and or cooperating in challenges of teamwork, strategy, fun and wits! To be awarded the Handcrafted Immunity Idol. Communication, Cooperation, Trust, Leadership, Teamwork and Project Management are key elements to survive a fun, themed and professionally delivered team building activity.

IMMUNITY CHALLENGES

To become an ultimate survivor, teams - strive to win Jury bones, allocated to the most deserving tribal member. Giving right of passage to the final jury. Losing contact with bones revokes right of passage, a high price to pay....

Challenges are selected & modified according to location and timing required.

4-5 immunity challenges in 1/2 day programs, Up to 8 challenges included in a full day survivor challenge.

SURVIVOR IMMUNITY Challenges Sample....
